VOLUNTARY ANNOUNCEMENT

The board of directors of TIP One is pleased to announce that the Company has entered into a cooperation agreement with eZaga Holdings Proprietary Limited ("eZaga") in terms of which the Company and eZaga will market and distribute TIP One securities to the eZaga customer base.

TIP One's strategy to attract new capital for the advancement of its investment activities includes the establishment of technology channel partnerships. One such partnership is a relationship with a financial services provider.

Through its relationship with eZaga, TIP One now has direct market access to eZaga customers through its banking application and its physical locations such as Zaga stores and township activations.
